

FREQUENTLY ASKED QUESTIONS FOR PARENTS

What is NOF JUNIOR International Olympiad?

NOF Junior, which is the world's only **interactive, gamified** and **animation based International Olympiad examination** powered with Artificial Intelligence. The only examination in the world which caters to the **PlayGroup to Grade 5** segment on an international platform. We have clubbed the syllabus with animated stories. The **questions** are **interactive**, with **voice support** which means the students can touch the cartoons, and other elements on the screen, read & **listen to the question** as well. Our revolutionary technology identifies individual student learning gaps and fills those gaps through the algorithmically generated analysis report.

All the student will be awarded with the participation certificates and toppers will be awarded with merit certificates and medals.
